

Greetings from St. Patrick's Academy, Angamaly

The prayers at the morning assemblies, the emotions of drama, the beats of dances, the repartee at debates, the kick on the sports fields and the ominous exams forever round the corner for the year is coming to end.

At this juncture I would like to thank you all for all the co-operation you extended. The success and the achievements of the year certainly is the result of the synergic efforts of the students, teachers and parents.

Next academic year, to find more time for teaching and learning, a change in the examination pattern is made. We will have two terminal examinations. The pattern we will follow next year is given under.

Classes I – VII

I Term - 2 Unit Tests & 1st Terminal Examination

II Term - 2 Unit Tests & 2nd Terminal Examination

Classes VIII, IX & XI

I Term - 2 Unit Tests & 1st Terminal Examination

II Term - 1 Unit Test & 2nd Terminal Examination

Classes X & XII
